Monday, 24 February 2025

The countdown is officially on for Australia's largest agricultural event, with tickets for the 2025 Sydney Royal Easter Show (the Show) on sale from 12:00PM (AEDT) today.

Agriculture and Sydney Royal Easter Show General Manager, Murray Wilton, said the Royal Agricultural Society of NSW (RAS) is excited to welcome the country back to the city to celebrate everything we love about the Show and rural Australia: farmers, food, and family fun.

"With all your favourite Show attractions returning and exciting new features added, visitors can expect a jam-packed, fun-filled experience at the 2025 Show," Wilton said.

"From the brand-new farm experience, Jamison Station, where you can interact with farm animals and enjoy live demonstrations like blacksmithing and milking a cow, to the action-packed Lumberjack Show, daredevil Dive Show, epic Bison Stampede, bite-size immersive activation, Dino Adventures, and new Nashville inspired Honky Tonk bar and Angus Steakhouse, there's something for every Show adventurer!

"We're encouraging everyone to come on down, escape the everyday, and immerse themselves in everything that makes the Show special – the hardworking farmers who produce our food and fibre, exciting rides, competitions, and family traditions.

"Family tickets are available for just \$118 during our Early Bird period, offering great value for a full day of family fun in Sydney, with 12 hours of entertainment, competitions, exhibits, and activities.

"There are great savings to be made with Early Bird ticket prices and discounts on carnival credits via the Easter Show Fun Pass, so be sure to get in early and start planning your happiest day out!"

From now until 11:59 PM (AEDT) on Thursday, 10 April, patrons can save up to 16% on Early Bird Family Tickets and up to 17% on carnival credits with Easter Show Fun Pass credit packages by visiting www.eastershow.com.au.

Tickets to the 2025 Show will again be sold almost exclusively online and must be purchased for a specific day to manage crowd numbers. Public transport is included as part of the ticket price.

Mr Wilton said as Australia's largest agricultural classroom, the Show gives visitors of any age a chance to celebrate agricultural excellence and learn more about the origins of their food and fibre.

"The 2025 Show will host over 10,000 events across 80 animal and exhibitor competitions during the 12 days of Show, including the 125th competition of the iconic Districts Exhibit Displays," Wilton said.
